

Named in honor of Tupelo's most famous native, Elvis Presley Lake offers some of the finest water-related recreation opportunities around. It is one of the 24 state fishing lakes operated by Mississippi Department of Wildlife, Fisheries and Parks. Whether it's fishing, camping, skiing, or the popular off-road bicycle trail, Elvis Presley Lake has something for every outdoor enthusiast.

One handicapped access fishing pier as well as neatly mowed, shady shorelines make fishing from the bank popular.

Presently, there are no harvest regulations for any species. However, statewide creel limits do apply. Sportfishing licenses are required to fish with the exception of July 4. Fishing permits are also required.

- Location:** Lee County, northeast of Tupelo, off Hwy. 78 E.
- Size:** 330 acres
- Facilities:** Boat ramp, 16 camping pads with water and electrical hookups, tent camping, pavilion, picnic areas with grills
- Skiing:** Daily, noon to sunset

Lake Officer: Ken Stanford
