

Get Your Feet Wet!

at the MDWFP's Mississippi Museum of Natural Science

May 19, 2018 - 11a.m., 1p.m., 3p.m.

Live stage show experience with acclaimed wildlife filmmakers, educators, and sister/brother duo, Laura and Robert Sams.

The 30-minute experience includes amazing footage of underwater animals, original music, and inspiring stories of children around the U.S. who are making a difference in their communities. From octopus to sharks, muddy snails to prehistoric crabs, Laura and Robert offer families an engaging, funny and awe-inspiring “backstage look” behind the Splash and Bubbles series.
