

WMA Waterfowl Draw Hunts

MDWFP implemented its first permitted waterfowl draw hunts on Muscadine Farms WMA in 2002. Since then, permitted draw hunts have been developed on many priority WMAs to provide a quality waterfowl hunting experience and to maintain waterfowl use of WMAs. MDWFP has observed that many hunters who apply for these hunts and are successfully drawn do not participate in their hunt. MDWFP has made it a priority to increase utilization of draw permits by using the following procedures for some WMAs under the waterfowl draw system:

- 1) All draw hunt applications will only be accepted online.
 - Multiple draws will be conducted before and during the waterfowl season (see calendars below).
 - Applicants may apply for hunts in each hunt period on as many WMAs as they wish but may submit only one application per WMA per application period.
 - All hunts are 1-day hunts.
- 2) On WMAs with stand-by hunting opportunities, the drawn hunters will receive preference for hunt units. After drawn hunters have selected their hunt units on the morning of the hunt, stand-by hunters will draw for the order in which they will select any hunt units left available that day.
- 3) Encouraging new waterfowl hunters to hunt WMAs is a priority for MDWFP, and a specified number of first-time applicants are selected for each hunt.

WMA Waterfowl Draw Hunt Regulations

- Permitted draw hunts are conducted on Pearl River (youth only), Charlie Capps, Howard Miller, Mahannah, Muscadine, William C. “Billy” Deviney, Trim Cane, and Tusculumbia WMAs.
- There will be 5 separate application periods and drawings for waterfowl hunts on WMAs, and each draw will cover the hunts in a 2-week hunt period. See calendars below for each WMA.
- The application periods will run consecutively, with each application period open for 2 weeks.
 - Waterfowl Application Periods:
 - Draw Period 1: Oct. 28 – Nov. 10
 - Draw Period 2: Nov. 11 – Nov. 24
 - Draw Period 3: Nov. 25 – Dec. 8
 - Draw Period 4: Dec. 9 – Dec. 22
 - Draw Period 5: Dec. 23 – Jan. 5
- There will be approximately 2 weeks from the closing date of an application period until the first hunt day included in that period.
- Applicants will be notified by email only if successfully drawn.
- All selections are conducted by computer algorithm that gives preference to hunters that have not been selected for a hunt on a particular WMA in the past.
- Applicants must be 16 years of age or older.
- Hunting party size will be 3 or 4 hunters, depending on the WMA.
