During any small game season, hunting, running, or pursuing hogs with the use of dogs is prohibited. Legal weapons: Only centerfire rifles, shotguns with slugs, primitive weapons, and centerfire handguns may be used for deer hunting.

Waterfowl: Ten Point and Goose Lake units are open to waterfowl hunting, no draw, on Mondays, Tuesdays, and Wednesdays during the statewide waterfowl season. Shooting hours end at 12 p.m. for all hunt units. Waterfowl hunters must check out by 1 p.m. except during the youth/veteran waterfowl hunting season which shall run concurrent with the statewide waterfowl youth/veteran hunting. No boats, blinds, or decoys are to be left out overnight. Waterfowl hunting shall open daily on the Ten Point and Goose Lake units during the waterfowl season while the Steele Bayou Landside Gauge is at or above 82.0 feet.

Off-road motorized vehicles/ATVs: ORVs/ATVs are allowed on designated roads or trails for hunting and fishing access only. The use of ORVs/ATVs is allowed for retrieval of harvested deer or hogs. During all WMA deer firearm seasons, no loaded sidearm or firearms shall be in the possession of any individual or group while hunting on designated WMA deer or turkey units.

Horses: Horseback riding is prohibited during WMA deer and turkey seasons. At all other times, horseback riding is restricted to roads open to motorized vehicles and designated ATV trails. Raccoon hunting from horses is allowed on entire area during nighttime hunting hours.

Camping: Camping is allowed in designated areas only. Camping is limited to 14 consecutive days. Equipment used for agriculture to human safety, may be found on state WMAs, lakes, and parks. Please enjoy the opportunities we offer to interact with nature, but be mindful of your surroundings.

CONTACT INFORMATION:
WMA Headquarters: (601) 661-0294
MDWFP Regional Office: (601) 859-3421
MDWFP Jackson Office: (601) 432-2199
Driving Directions:

CAUTION: Public use trails may be located on this wildlife management area. Recreational trail users, hunters, and other visitors should be aware that other users may be on the area at the same time they are. All users should learn and observe trail safety guidelines and always make other users aware of their presence.

State wildlife management areas (WMAs), fishing lakes, and parks are managed to be as close to a natural condition as possible, while providing access and opportunities for outdoor recreation. Many species of animals, plants, and insects, some of which may be dangerous to humans, may be found on state WMAs, lakes, and parks. Please enjoy the opportunities we offer to interact with nature, but be mindful of your surroundings.
