The December meeting of the Mississippi Commission on Wildlife, Fisheries, and Parks, currently scheduled for Wednesday, December 16th, has been canceled. Due to recent spikes in COVID-19 cases, and the approaching holidays, Commissioner Robert Taylor, Chairman of the Commission, has canceled the December meeting. Any business or other matters pending before the Commission will be taken up at the January meeting, tentatively scheduled for January 21, 2021; however that date is subject to change.

We apologize for any inconvenience that canceling this meeting may cause, but the health and safety of our citizens and the employees of the Mississippi Department of Wildlife, Fisheries, and Parks is our paramount concern.

Happy Holidays and wishes for a much Happier New Year for all!
