Wildlife Rehabilitation Program

Bob Tyler Fish Hatchery
Visitor Education Center

Wonder what to do if you see injured wildlife? Find out at the Visitor Education Center (VEC) at the Bob Tyler Fish Hatchery. Staff and volunteers from Magnolia Wildlife Rehabilitation will discuss conservation and rehabilitation, particularly of their birds of prey. With them will an Eastern Screech Owl and a Mississippi kite.

Saturday, October 3 • 2:00 p.m.

Program is free with price of admission, $2 for youth 17 and under, $2.50 for adults, and $2 for adults 60 and up. Please contact the VEC at (662) 563-8068 with any questions!
