Autumn Tree ID Seminar

Brady Self, the Northwest Mississippi Forestry Specialist with Mississippi State University Extension, will present a Tree Identification program at the Bob Tyler Fish Hatchery's Visitor Education Center (VEC) on Saturday, October 10 at 2:00 p.m. The tree identification course is for anyone interested in learning how to identify trees as fall approaches. The program will consist of a short presentation and a hands-on field tour of the trees located around the hatchery and education center.

The program is free with the price of admission. Admission is $2.50 for adults ages 18-59, and $2.00 for youth ages 3-17 and adults over the age of 60.

October 10, 2026, at 2:00 p.m.
