# WMA Waterfowl Draw Hunts Procedures

MDWFP manages the WMA waterfowl draw hunt system to provide a quality, safe and fair experience for waterfowl hunters. It is MDWFP's goal to provide equal opportunity through a drawing process while promoting conservation among hunters. Since the inception of the waterfowl draw hunt system in 2002, many changes have been made to ensure such experiences. With new land acquisition, equipment improvements, land management changes, and increased hunter participation, the WMA draw system has evolved into what it is today. The following procedures are for WMAs under the waterfowl draw system for the 2026-27 hunting season:

1. All draw hunt applications will only be accepted online through the new licensing system from October 1 - 15. For more information, refer to the WMA Draw Hunts webpage: https://www.mdwfp.com/wildlife-hunting/wma-draw-hunts
   - Applicants may submit an application for each of the **five (5)** draw periods.
   - Applicants may apply for up to **five (5)** hunts per draw period. This gives applicants a maximum of **25** hunt choices across all draw periods.
   - All hunts are 1-day hunts.
   - Drawn hunters will be notified by email.
2. All drawn hunters (except those drawn for Trim Cane WMA) will be randomly assigned a hunting unit at the time of the drawing.

The WMAs listed below offer limited draw hunts or other organized waterfowl hunting opportunities:

- **WMAs that include Pre-Drawn only opportunities:** William C. "Billy" Deviney, and Pearl River Youth.
- **WMAs that include Pre-Drawn with stand-by opportunity:** Howard Miller, Charlie Capps, Mahannah, Trim Cane, and Muscadine Farms.
- **Mahannah Timber units AND Tuscumbia (Unit 2), will be available only as a stand-by option**. There will be **NO** pre-draw option for Tuscumbia (Unit 2) and Mahannah Timber units. It is highly recommended that hunters have knowledge of the area before entering the stand-by drawing for the Timber area, since these areas are often very difficult to access.

**WMA Waterfowl Draw Hunt Details**

- There will be one single application period with 5 separate drawings (draw periods) for waterfowl hunts on WMAs, and each draw period will cover 12 days of the waterfowl season. Using 5 draw periods allows applicants to have multiple chances to win a draw hunt, while also allowing applicants to only apply for time periods they know they will be able to hunt. See calendars below for each WMA's hunt dates.

- All applications will be open concurrently from October 1 to October 15. All drawings and notifications will be completed by November 1.
- All hunters (including under 16, over 65, and handicap) applying for a WMA draw hunt must possess a current valid WMA Permit, Lifetime Hunting License, Senior Exempt License, or a Youth Exempt License to apply.
- All applicants will be notified by email about their draw results.
- Applicants must be 16 years of age or older at the time of the hunt.
- Hunting party size will be 3 or 4 hunters, depending on the WMA.
- For Charlie Capps, Howard Miller, Mahannah, Muscadine Farms, Trim Cane, and Tuscumbia (Unit 2), drawn waterfowl hunters and their guests will sign in **by 5:00 am** on the Reservation Holder sign in sheet at the WMA headquarters the morning of their hunt and will proceed to their hunting unit. If drawn hunters DO NOT sign in **by 5:00 am**, their hunt unit will become available in the stand-by draw.

**Sign-In Rules:** Charlie Capps, Howard Miller, Mahannah, Muscadine Farms, Trim Cane, and Tuscumbia (Unit 2)

- ALL hunters are required to SIGN IN PRIOR TO **5:00 AM**.
- An individual's name can only appear in one group.
- If your name is in more than one group, you will immediately forfeit the opportunity to hunt for the day.
- In addition to sign-in requirements, ALL HUNTERS MUST CHECK IN AND OUT OF A WMA USING THE MDWFP HUNTFISH APP (https://www.mdwfp.com/licenses-permits/mdwfp-huntfish-app) or the WMA DAILY VISITOR PERMIT CARD.

**Pre-Drawn Hunters**

- Pre-Drawn hunters receive email notifications containing their winning permit, the date, and the pre-assigned hunting unit. Pre-Drawn hunters must sign in on the Pre-Drawn sign in sheets ONLY. After they are checked in, they may proceed to their assigned hunt unit. Pre-Drawn hunters may not sign in for their Pre-Drawn unit, and then wait until the draw has been completed to see if they can get a different unit.
- On WMAs that offer stand-by opportunity, if a pre-drawn hunter shows up after the stand-by drawing has started, they must wait until the entire draw process has been completed and then may sign in and may take any available hunt unit

**Stand-by Hunters**

- ONE DESIGNATED PERSON may sign in ALL MEMBERS of their hunting party.
- A name can only appear in one group. If your name is in more than one group, you will immediately forfeit the opportunity to hunt for the day.
- There will be **NO** combining of groups or hunting party changes after the process begins.

- Hunters may only hunt if they were listed and selected on the initial sign in sheet.
